3. **Current Documents:** Applications, statutes, rules, and forms are occasionally changed. Go to www.dopl.utah.gov to ensure you have the most recent version of these documents.
4. **National Licensing Examination:** In the opinion of NBPME, the examinations should be taken in sequence: Part I, Part II, and then Part III. You are required to have successfully completed Part I and Part II before being made eligible for Part III.

Part III of the NBPME (*formerly known as PMLexis*) is a licensing examination designed to determine whether a candidate's knowledge and clinical skills are adequate for safe practice. Candidates must hold a DPM and have made application for a license in one or more of the participating states to take Part III.

To assist candidates in preparing for the examinations, outlines of the content areas covered are included in the Bulletin. Sample questions representative of the actual test content, difficulty level, and question formats can be found on the NBPME website: www.nbpme.com

Please follow the registration process as outlined below:

- A. DOPL will disseminate registration materials upon request. Bulletins can also be downloaded from www.nbpme.com. You are encouraged to thoroughly read the Part III Candidate Bulletin. All of the information about the examination and test administration is outlined in the Bulletin. Additionally, read the (*pink*) Registration Form and follow the directions as outlined on that form. If you have questions about the registration form, call 1-877-302-8952 for assistance.
- B. Complete the Registration Form and submit it along with the testing fee to Thomson Prometric before April (*for the June administration*) or before September (*for the December administration*).
- C. Thomson Prometric will fax a roster of candidates who have applied for testing to DOPL.

- D. A correct and complete application, including form transcripts identifying your earned degree, must be submitted and processed before DOPL will release your name to Thomson Prometric making you eligible to sit for the examination.
 - E. Once your eligibility has been issued to Thomson Prometric, an Authorization to Test (ATT) will be mailed at least 30 days prior to the applicable test administration. Upon receipt of the ATT, you must call the Candidate Service Call Center (CSCC) at Thomson Prometric to schedule a testing appointment.
- 5. **Controlled Substance License:** You must hold a Utah controlled substance license **AND** DEA registrations to administer, possess, or prescribe a controlled substance in your practice of podiatric medicine in Utah.
 - 6. **Controlled Substance License/DEA Registration:** You must hold a Utah controlled substance license **and** a DEA registration to administer, possess, or prescribe a controlled substance in your practice of medicine in Utah. For DEA registration information, contact the Drug Enforcement Administration, Salt Lake District Office, 348 East South Temple, Salt Lake City, UT 84088. Telephone (801) 524-4389.
 - 7. **License Renewal:** All podiatric physician licenses expire September 30 of every even-numbered year. Additionally, your controlled substance license will expire at the same time as your podiatric physician license and will also need to be renewed at that time.

Unlike many other states, Utah's license renewal schedule **is not** based on the licensee's date of initial licensure. Under Utah's renewal system, all licenses in each profession expire as a group on the same day every two years. Therefore, the length of a licensee's first renewal cycle depends on how far into the current renewal cycle initial licensure was obtained. Each renewal cycle thereafter is for a full two years.

Additionally, the fee paid with this application for licensure is an application-processing fee only. It does not include a renewal fee. Each licensee is responsible to renew licensure **PRIOR** to the expiration date shown on the current license. Approximately two months prior to the expiration date shown on the license, renewal information is disseminated to each licensee's last address of record, as provided to DOPL.

- 8. **Continuing Education:** In order to renew your license you must complete at least 40 hours of qualified continuing education.
- 9. **Updating Address Information:** It is your responsibility to maintain a current address with DOPL. If your address is incorrect, you will not receive renewal notices or other correspondence. Address changes can be made online at www.dopl.utah.gov.
- 10. **Name Change:** If you have been licensed by DOPL under any other name, please submit documentation of your name change (*i.e. copy of a marriage license or divorce decree*).

11. **Ceremonial Certificate of Licensure:** After obtaining your license from DOPL, you can order a Ceremonial Certificate of Licensure, printed on parchment paper with original signatures and an embossed gold seal. Order forms can be obtained at www.dopl.utah.gov.
12. **Acceptable Forms of Payment:** Licensure fees can be paid by check or money order, made payable to "DOPL." Cash and debit/credit cards (*American Express, MasterCard, and Visa*) are also accepted in person at DOPL's main office – but not over the telephone.
